### **Restrictions on investment, distribution and distribution**

Trading and investing in cryptocurrencies (also called digital or virtual currencies, crypto assets, altcoins and so on) involves substantial risk of loss and is not suitable for every investor. The valuation of cryptocurrencies may fluctuate, and, as a result, investors may lose a part or whole of their original investment. The highly volatile nature of cryptocurrencies trading means that market movements may have a great impact on your trading account and this can work in your favour and also against you, leading to large losses or can work for you, leading to large gains.

All subscriptions and investments, including those made in utility coins, are purely speculative in nature and may involve substantial risk of loss of the investment. We at UPROSE thus take this initiative to inform as well as

encourage our investors to investigate the associated risks and invest carefully. You as an investor may also want to seek advice from a professional financial and/or investment advisor and if needed, carry out independent investigations before acting on any information that we have published or may publish in the time to come. We at UPROSE FINMART OU do not in any way warrant or guarantee the success of any action you take in reliance on our statements, white paper, material on the website or recommendations.

Information provided on the website [www.uprose.io](http://www.uprose.io) including the White Paper and other download links are intended solely for informational purposes and is published believing it to be reliable. Information is in no way guaranteed. No guarantee of any kind is implied or possible where projections of future conditions are attempted.

[www.uprose.io](http://www.uprose.io) is the only official website for the ongoing ICO of UPROSE FINMART OU. Any individual dealing with a website other than [www.uprose.io](http://www.uprose.io) will be doing so at her/his own peril and risk. Neither UPROSE FINMART OU nor its subsidiaries, officials, representatives or affiliates in any way be liable to entertain or pay/reimburse any claims arising out of such investments and/or assurances.

You, hereby agree that the funds being invested are from a legal source and you are not barred by any judicial department or Government for investing in Crypto-currencies. The funds being invested are not laundered nor defalcated nor undeclared nor tainted nor undisclosed in the jurisdiction(s) that apply to you.

According to the White Paper, each Uprose ICO participant must verify his/her Uprose account in order to receive UPE tokens.

Please note: You don't have to be verified in order to take part in the ICO. Just make sure to finish your verification process before the ICO ends.
